## Happy New Year

Happy New Year and Blessings for 2017 from Father Charles and the Children at The Home of The Holy Angels!

We have had a beautiful Christmas here at the Home of the Holy Angels. The children were busy decorating and preparing for Christmas and the coming of our Lord.

As with you, we find this a busy time of year. It is easy to get caught up in "preparing the way", that we forget that the Christmas season is really about hope,

joy and the good news brought to us by our Lord. At this time of year all of us at the Home of the Holy Angels reflect on the blessings bestowed upon us by God and brought forth through the generosity of our supporters.

We wish you a Happy New Year and good health and prosperity in 2017. Thank you for your ongoing support and if possible please remember us in your year-end giving. Visit our website at [www.helpkibale.org/new](http://www.helpkibale.org/new)

As the new year approaches we hope that you will be surrounded by those you love. At Home of the Holy Angels we will be sharing our time with each other, thankful for the safe, secure and loving home that we are able to provide our children

## Pope Francis

In Pope Francis' 2016 Christmas message he stated “ Peace on earth to men and women of goodwill, who work quietly and patiently each day, in their families and in society, to build a more humane and just world, sustained by the conviction that only with peace is there the possibility of a more prosperous future for all.” You are those men and women of goodwill, seekers of peace. I am thankful each day that you have heard that message and as followers of the Christ Child you have chosen to respond by supporting The Home of the Holy Angels. May God continue to bless you and your family in 2017. Thank you for prayers and continued financial support.

Yours in the Christ,  
 Father Charles
